

FEED PRODUCTS
& Service Company

Potassium Carbonate

Feed Grade

Formula

K_2CO_3

Product Description

Potassium Carbonate is of a dense granular texture and is white in color.

Nutrient Properties**Specification****Typical**

Potassium Carbonate K_2CO_3 , wt%
Potassium, wt%
 H_2O , wt%
KCl, ppm
 K_2SO_4 , ppm
Sodium, ppm as Na
Iron, ppm as Fe
Heavy Metals as Pb, ppm
